

Celtic Athletic Club Sept-Oct 2011

The following athletes are expected to represent the Club by taking part in the Dublin Cross Country Leagues event in Newbridge house next Sunday and in as many of the other dates as possible. Bring €2 for your number. Be there at 10.15am so as to have time to collect numbers and look around the course. Distances and the other dates are on the club website at the link below. If anyone has any club photos old or new that we can put up on the website please email to us. This link is temporary until we get all the errors ironed out. Please use website for club information, timetables and latest news.

The older gang won't do the leagues. There are some of the new names missing from this list and they can be added when I get registration forms in. Check the year beside the age group and you can still run next Sunday. All the above named should do these races. This is where the young athletes learn their trade and get experience.

Next Saturday we are needed for 2 water stations for the half marathon in the Phoenix Park. One location is the Main Road of the Park between the Zoo round about and the Zoo Car Park at 9.30am. The other one is at the little carpark at the top of the steps exiting the Furry Glen 9.15am. I will be phoning round the key people and anyone else who is free please go to either location and all help is much appreciated.
