## OURSELVES AND OUR DOINGS

Our women's middle distance team started out the New Year by winning the first road race of the season on January 1<sup>st</sup>. This was followed by an excellent win in the Leinster Intermediate Cross Country Championships in Dunboyne and the National Intermediate Cross Country Championships in February in Castlelyons, Cork, with a very low score of 18 points.

There was some excellent indoor running from Nadia Power, Catherine McManus, Celine Gavin, Cliona Murphy, Lauren Tinkler, Edel McNamara and Fiona Hawkins, on scholarship in USA. Catherine gained selection for the relay for both the European DNA Invitational and the World Indoor Track and Field Championships.

We were not as active as usual in outdoor track yet some excellent performances were recorded by Fiona Hawkins - Irish Junior 5000m record and her sister Ailish, Sean Donoghue (on scholarship in USA), Cliona Murphy and Pierre Murchan.

Towards the end of the track season, we experienced a strong influx of established women athletes for various reasons. It is expected that our cross-country teams should be very strong during the forthcoming season.

In customary fashion the cross-country season opened with the Dublin Novice Championships in Tymon Park. It's always difficult to defend a Novice title but the team somewhat weakened by injury fought hard and came home first with Faye Dervan winning the individual title.

The first major cross-country race took place in Abbotstown and in which we were represented by senior 7 women and one man. Several excellent performances were recorded.

On October 23<sup>rd</sup> the women's cross-country team added the Leinster Novice Cross Country Championships to the Dublin title won earlier in month. In order to maximize competitive opportunities for the group it was decided to split our teams and compete in the Leinster Senior Cross-Country Championships on November 5<sup>th</sup> and the Leinster Senior Cross-Country Championships on November 6<sup>th</sup>. With excellent packing and individual performances, we won both events.

The weekend of November 19<sup>th</sup> and 20<sup>th</sup> brought about our primary aim for the year-to with the Women's National Senior Cross-Country Championships, held in Rosapenna in North Co Donegal. We were blessed to be able to call from a full strength squad who performed magnificently and led by Lauren Tinkler in 7<sup>th</sup> place overall, 6<sup>th</sup> senior woman, our best finishing place since Una English in 1999 to win by one point from the holders, Letterkenny Athletic Club. This was our first win since 1992, some thirty years ago. Pierre Murchan excelled in the men's race finishing 6<sup>th</sup> overall, 3<sup>rd</sup> senior man, our best finishing place since Jamie Lewis in 1996 to gain automatic selection on the Irish team travelling to Turin in December for the European Cross-Country Championships.

Meanwhile in Turin Nadia Power returned to form following injury to finish a fine 3<sup>rd</sup> in the Italian short course cross-country championships.

On the other side of the Atlantic Fiona and Ailish Hawkins had excellent runs in separate races in California.

Following these weekend performances Fiona Hawkins, Jodie McCann, Nadia Power and Pierre Murchan were selected to represent our country at the forthcoming European Cross-Country Championships in Turin in December.

At the annual Jingle Bells 5km road race on December 3<sup>rd</sup> our team finished 3<sup>rd</sup> overall with some excellent running and personal bests.

December 4<sup>th</sup> saw us back traveling in pursuit of national cross-country championships, on this occasion it was the National Novice in Conna Co Cork. With excellent individual performances and superb packing, we emerged as winners with 68 points from a field of some sixteen teams.

The final cross-country championships, the Dublin Intermediate, was held at Tymon Park on Sunday December 11<sup>th</sup>. Following a long season, we only had the bare four scoring athletes available to defend the title we won last year. Despite this our women rose to the occasion and with determined runs emerged as winners.

This victory represented history because no other club has ever before won all nine cross-country championships, Dublin, Leinster and National, Novice/Intermediate and Senior in a calendar year.

Edel Monaghan continued her fine form with an excellent 2<sup>nd</sup> place at the Newmarket 5km road race.

Our four selected athletes performed with distinction at the European Cross-Country Championships in Turin.

To round off a remarkable weekend Christopher McLoughlin won the overall Dublin under 19 cross-country league held over three separate races.

Saturday December 17<sup>th</sup> brought the curtain down on the domestic season with the annual cake race. Due to icy conditions the race was held on grass at the 15 acres rather than the traditional Chesterfield Road route but nonetheless some 28 members ran.

All in all, 2022 saw a huge leap forward in performance, increased numbers competing and significant improvement in personal standards. Much thanks is due to the coaches, organisers and supporters who gave of their time selflessly throughout the year
